Comment of Reference Portfolio Advisor

Since last valuation on 30. September 2025 no further notional investment was made in October 2025.

In August 2025 (adhoc valuation on 06 August 2025), based on current market and project-specific developments the Reference Portfolio Advisor decided that certain Reference Debt Security Components need to be impaired. Based on current information this applies to the Reference Debt Security Components issued by AQ Capital S.A.; ACE Italy Projects I S.á r.l.; European Sustainable Projects IV S.à r.l.; European Sustainable Projects X S.à r.l.; Condor Projects I S.à r.l. The current total impairment value of these Reference Debt Security Components comprised approx. 8% compared to Reference Portfolio Value at the end of July 2025.

Except for a mandatory Notional Cash Position buffer, the Reference Portfolio is considered fully invested and has achieved its goal of keeping the Notional Cash Position below 5% of the Reference Portfolio Value.
